Who Should Attend

» Infant/Toddler program administrators
» Infant care teachers working with children birth to 36 months
» Center-based or family child care providers

This community event is open to anyone interested in supporting the well-being and development of infants and toddlers, including parents, grandparents, and others supporting infants, toddlers and their families.

Goals of the Workshop

This workshop is designed to support continuous improvement efforts of infant/toddler programs. This workshop will help participants to:

» Identify the various influences on an infant or toddler's social-emotional development

» Identify the social-emotional skills and knowledge typically acquired by infants and toddlers from birth to 3 years

» Recognize specific program practices that support the healthy social-emotional development of infants and toddlers in group care settings
